### **September Meeting: Thursday Sept 8th 7:30pm**

**Big meeting after the long hot Summer Break** - The summer is just about over, but there are still open projects and things to do before hunting season and the winter arrives. So please attend the meeting this Thursday evening at 7:30pm.

**Ducks Unlimiter 2017 Raffle Calendars on sale at the meeting.** Mike Young will be selling the Ducks Unlimited 2017 Raffle Calendars at this meeting and every Sunday until they are gone. By purchasing the calendar you will be assigned a raffle number for a firearm drawing to be held every week in 2017, that's 52 firearms up for grabs in 2017!!

In addition to the raffle you will also receive a 1 year membership in Ducks Unlimited and a semi-month magazine mailed to your home with lots of helpful shooting tips and news about what DU is doing to increase duck populations to provide a legacy of hunting that will be passed on for generations. This will be a limited opportunity to purchase only in September, so please see Mike Young at the meeting.
